Product Information

Upgrade your Jeep Wrangler JL with a stylish and functional back 5th wheel smoked LED tail light. Improved visibility and a modern look guaranteed! Upgrade your 2018+ Jeep Wrangler JL with a sleek and stylish back 5th wheel smoked LED tail light direct fit. This upgrade will give your Jeep a modern and aggressive look while also improving visibility and safety on the road. The tail light is designed specifically to fit the 2018+ Jeep Wrangler JL, so installation is quick and easy. It features a durable and weather-resistant construction, ensuring it can withstand the elements and perform in any driving conditions. The smoked lens adds a unique and stylish touch to your Jeep, while the LED technology provides bright and reliable illumination. The direct fit design ensures a perfect fit and seamless integration with your Jeep's existing lighting system. In addition to improving the appearance of your Jeep, this tail light upgrade also increases visibility and safety on the road. The
