

PART # 10900(BLACK) / 10901(RED)

Wireless QTEC Controller

Thank you for your purchase of the Wireless QTEC Controller. This controller will support both single and dual Quick Time Electric Cutout applications. Your kit comes with the wireless receiver and 2 key fob style remote controllers.

Install Instructions:

1. Find a suitable, secure, **dry** location for installation of the wireless control box. **Receiver must be mounted inside the vehicle cabin and wired to a fused ignition relay power source that does not draw more than 8 Amps or warranty will be voided. Remember you will need to supply both a 12volt ignition power source as well as a ground.**

BE SURE to run the Positive (Red/+) wire to your vehicle's 12v hot source and the Ground (Black/-) wire to a suitable ground on the chassis. **Please note: Hooking these wires up backwards will damage the receiver!**

2. After securing the receiver and connecting power and ground, hook up your intermediate wires between the valves and receiver box. Be sure to route the intermediate wires so they don't come into contact with your exhaust system or any other area of the vehicle that could cause scraping & chaffing.

You're Done!

Operation Instructions

1. **Black Remote-** to open cutouts, press and hold the "OPEN" button until the desired exhaust sound is achieved.

Red Remote- To open cutouts, press and release the "OPEN" button.

2. **Black Remote-** To close the cutouts, press and hold the "CLOSE" button until the desired exhaust sound is achieved.

Red Remote- To close the cutouts, press and release the "CLOSE" button.

TIP: For best results, lubricate the cutout valve butterflies at least once a month to keep them free of debris and carbon build up.

LEGEND

- Red line: 12v Power Input
- Black line: 12v Ground Input
- White line: Antenna Wire

Attention:

Wireless Receiver Box must be mounted inside vehicle cabin and **CAN NOT BE WIRED STRAIGHT TO THE BATTERY** or warranty will be voided.

Notice of Disclaimer and Liability

The Federal Government, each of the fifty states, local municipalities, towns and counties all regulate emissions production, noise levels, and safety standards. Quick Time Performance makes no warranties of merchantability, of fitness for a particular purpose, or that its products are approved for general use, or that its products comply with laws, regulations or ordinances in the states where they may be sold to the ultimate purchaser, the consumer. Unless stated otherwise on our website, instruction sheet, or price list, all risk to the conformity of any of the products offered by Quick Time Performance or its affiliates in any such state and as to repair should the product prove defective or non-conforming, is on the retail purchaser, the buyer, the ultimate consumer of such product and it is not upon the seller, distributor or manufacturer. In this connection, the retail purchaser, the buyer, the ultimate consumer assumes the burden of the entire cost of any and all necessary service, alterations or repair. The foregoing statement LIMITS THE LIABILITY OF QUICK TIME PERFORMANCE AND ITS AFFILIATES. QUICK TIME

PERFORMANCE AND ITS AFFILIATES ASKS THAT YOU REMEMBER THAT RACING VEHICLES NEVER BE DRIVEN ON A HIGHWAY OR STREETS ANYWHERE IN THE UNITED STATES. It is illegal to remove or render inoperative any emission control device on any vehicle. Our products are intended for racing vehicles, which have never been intended to be driven on any highway or any street in the United States. In California Vehicle code sections 27156 and 38391 prohibit the advertising, offering for sale, or installation of any device, which modifies a vehicles emission control system unless exempted. Quick Time Performance and its affiliates have not received an exemption from these code sections and are not legal for sale or use in California on vehicles originally equipped with a catalytic converter. Our products are for racing vehicles, which are never intended for highway or street use. Our products are subject to price change without notice. We reserve the right to reject and cancel any order.
